

Digital Leadership Program - Participation Requirements

Presented by Leadhawk Learning

The Digital Leadership Program encourages leadership participation, positive digital engagement, and values-based involvement within schools and community environments.

CORE PARTICIPATION EXPECTATIONS

Participants are expected to:

- complete the Protect Your Brand Challenge
- participate respectfully and professionally
- contribute to approved leadership-focused activities
- support positive digital culture efforts
- represent their school or organization responsibly

Approved participation efforts may include:

- school proposal or presentation
- awareness initiative
- peer leadership activity
- digital culture discussion
- implementation support activity
- team or organizational participation effort
- approved school/community project

Participation recognition may include:

- leadership recognition certificate
- digital badge eligibility
- leadership recommendation consideration
- school/community recognition opportunities
- résumé or LinkedIn participation language

The Digital Leadership Program is designed to encourage initiative, leadership growth, & positive participation within school and community environments.
