

# Digital Leadership Program - Good Standing Expectations

Presented by Leadhawk Learning

---

This framework outlines participation expectations intended to support leadership development, respectful engagement, and positive digital culture.

## Participants are encouraged to:

- participate respectfully
- represent their school / organization positively
- engage constructively online and in person
- communicate appropriately with peers and adults
- demonstrate leadership-focused participation

## Participation may be reviewed if:

- repeated disruptive behavior occurs
- participation conflicts with school or organizational policies
- actions directly undermine the program's values-based purpose
