

Digital Leadership Initiative - Participation Validation

Presented by Leadhawk Learning

Participating schools and organizations may acknowledge or verify student involvement within approved Digital Leadership Initiative activities.

PARTICIPATION VALIDATION MAY INCLUDE:

- participation acknowledgment
- leadership involvement
- presentation completion
- proposal participation
- implementation support
- acceptable standing confirmation
- organizational participation acknowledgment

ACCEPTED VALIDATION METHODS:

Participation may be validation through:

- signatures
- school forms
- advisor acknowledgment
- implementation discussions
- participation tracking
- program review

Validation is NOT Legal Certification

Participation validation is intended to acknowledge student involvement, leadership engagement, approved participation efforts, and does not represent legal certification or institutional endorsement unless otherwise determined by the participating organization.

Schools and organizations remain in control of participation standards, validation decisions, and implementation involvement.
