

Digital Leadership Program - Eligibility Requirements

Presented by Leadhawk Learning

The Digital Leadership Program recognizes students who demonstrate leadership, responsible online behavior, and participation in positive digital culture initiatives within their school or community.

1. Enrollment Eligibility

Participants should be enrolled in:

- a school
- youth organization
- approved educational / community environment

2. Program Participation

Participants should complete:

- the Protect Your Brand Challenge
- or approved equivalent participation requirement

3. Leadership Participation Expectations

Participants should demonstrate willingness to:

- support positive digital culture
- participate respectfully
- engage in leadership-focused activities

4. Acceptable Standing

Acceptable standing may be determined by:

- school
- organization
- program representative

Participation does not require "perfect standing."

5. Approved Leadership Efforts

Approved leadership efforts may include:

- proposals
- awareness efforts
- discussions
- presentations
- implementation support
- peer leadership activities
